TURNING THE KEYNOTE INTO AN IMMERSIVE EXPERIENCE

About Davin

Davin Youngs is one of today's most sought after voices in the realm of personal and professional transformation. A voice coach for 20 years, he is the creator of VOXUS, an experience that quickly brings groups into deep connection through improvisational singing. He mesmerizingly shares his own voice through The RESET, an immersive sound experience. Davin hosts the highly rated Free Your Voice, Free Your Life podcast and is a featured teacher on the Insight Timer meditation app.

Speaking Topics

Davin is reimagining the keynote, playfully getting audiences to create a soundtrack using only their voices. This flows beautifully into group exercises that culminate in rapturous song. (Appropriate for 15 to 5,000 people.)

- Finding your authentic voice
- Fearless leadership
- Individual and collective voice
- Risk, vulnerability, listening, play, connection

Additionally, he creates immersive sound experiences that invite participants into a deeper connection with themselves and each other.

- Deep listening
- Mindfulness, nervous system regulation
- Moving from fear into possibility
- Navigating change
